

2018 Annual Meeting CE Tracking Form

This form is for your personal use only and is not the CE evaluation. Therefore, it cannot be submitted to earn credit. To earn credit, you must complete an online evaluation. Directions on how to access the evaluation by credit type are included below:

CME Credit

- All registered full conference and full day physician attendees are eligible to earn CME credit.
- To earn CME credit eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed on-site at the CE Central access stations, through the ASTRO Annual Meeting app or the online conferece planner.

CAMPEP and MDCB Credit

- All registered full conference and full day attendees are eligible to earn CAMPEP and MDCB credit.
- To earn CAMPEP and MDCB credit eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed on-site at the CE Central access stations, through theASTRO Annual Meeting app or the online conferece planner.
- All completed CAMPEP and MDCB evaluations will be subitted to CAMPEP or MDCB, respectively, 45 days post-meeting.

SA-CME Credit

- All registered full conference and full day physician and physicist attendees can earn SA-CME (aka SAM) credit by pre-registering (\$50 per session) for one of the Live SAM sessions.
- To earn credit, participants will need to answer earn a passing score of 80 percent on the assessment and must complete the evaluation.

Need help?

- While on-site, please stop by CE Central located in the Main Lobby to talk to staff from ASTRO's Education Department.
- Post meeting, please contact the ASTRO Education Department at Education@astro.org or 703-502-1550.
