

# 2020 ASTRO Annual Meeting Credit Tracking Form

This form is for your personal use only and is **not the CE evaluation**. Therefore, it cannot be submitted to earn credit. To earn credit, you must complete the online evaluation. Directions on how to access the evaluation by credit type are included below:

If a session does not have any continuing education credits, it will NOT be listed on this tracking sheet.

## CME Credit

- To earn CME credit eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conferece planner.

## CAMPEP, ASRT and MDCB Credit

- To earn CAMPEP, ASRT and MDCB credit, eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conferece planner.
- All completed CAMPEP and MDCB evaluations will be subitted to CAMPEP, ASRT, MDCB, respectively, 45 days post-meeting.
- To claim ASRT credit for a session, attendee must attendee the WHOLE session - our Annual Meeting platform will provide time spent in a session

## SA-CME Credit

- All registered full conference and full day physician and physicist attendees can earn SA-CME (aka SAM) credit by pre-registering (\$50 per session) for one of the Live SAM sessions.
- To earn credit, participants will need to answer earn a passing score of 80 percent on the assessment and must complete the evaluation.

## Need help?

- Visit CE Central in the Resource Center on the Annual Meeting Virtual Platform
- Contact the ASTRO Education Department at [Education@astro.org](mailto:Education@astro.org)

## Saturday, October 24, 2020
