

2021 ASTRO Annual Meeting Credit Tracking Form

This form is for your personal use only and is **not the CE evaluation**. Therefore, it cannot be submitted to earn credit. To earn credit, you must complete the online evaluation. Directions on how to access the evaluation by credit type are included below:

If a session does not have any continuing education credits, it will NOT be listed on this tracking sheet.

If you need a detailed transcript with the list of sessions, please be sure to email or print a copy of your certificate/transcript before the evaluation closes.

CME Credit

- To earn CME credit eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conference planner.

CAMPEP and MDCB Credit

- To earn CAMPEP and MDCB credit, eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conference planner.
- All completed CAMPEP and MDCB evaluations will be submitted to CAMPEP and MDCB, respectively, 45 days post-meeting.
- Any credits claimed after the evaluation deadline will not be submitted to MDCB or CAMPEP.

SA-CME Credit

- All registered full conference and full day physician and physicist attendees can earn SA-CME (aka SAM) credit by pre-registering (\$50 per session) for one of the Live SAM sessions.
- To earn credit, participants will need to answer earn a passing score of 80 percent on the assessment and must complete the evaluation.
