

# 2022 ASTRO Annual Meeting Credit Tracker

This form is for your personal use only and is **not the CE evaluation**. Therefore, it cannot be submitted to earn credit. To earn credit, you must complete the online evaluation. Directions on how to access the evaluation by credit type are included below:

If a session does not have any continuing education credits, it will NOT be listed on this tracking sheet.

## CME Credit

- To earn CME credit eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conference planner.
- Evaluations for CME credit must be completed by June 1, 2023.

## CAMPEP and MDCB Credit

- To earn CAMPEP and MDCB credit, eligible attendees will need to complete the online meeting evaluation.
- The evaluation can be completed through the ASTRO Annual Meeting app or the online conference planner.
- All completed CAMPEP and MDCB evaluations will be submitted to CAMPEP and MDCB, respectively, 45 days post-meeting.
- Evaluations for CAMPEP and MDCB credit must be completed by December 1, 2022.

## SA-CME Credit

- This year SA-CME sessions are included in Full Conference registration
- To earn credit, participants will need to answer earn a passing score of 80 percent on the assessment and must complete the evaluation in the ASTRO Academy.

## Need help?

- Visit the Resource Center at the Annual Meeting in San Antonio or contact the Education Department at [education@astro.org](mailto:education@astro.org)
